*"The most beautiful thing we can experience is the mysterious.
It is the source of all true art and science"*

Albert Einstein

CONCEPT:

Human Beings! We have uncovered the secrets of DNA. We send shuttles, satellites and probes deep into Space to explore the Universe. We have dived into the depths of our Oceans. Yet, we are still surrounded by, unexplained mysteries. Wondrous, mysterious phenomena and discoveries that don't seem to fit our scientific model of the world. This Top Ten Series will explore and probe these mysterious events, manifestations and unsolved phenomena that are all around us, yet so frequently go unnoticed.

- Each episode of Top Ten Secrets and Mysteries will explore different mysterious forms and events. The Bizarre. The Unimaginable. The Terrifying. The Incomprehensible. They will all be part of our Top Ten.
- We will focus on a distinct group of mysteries. The Unsolved Mysteries. Those understood by science which nevertheless remain absolutely mysterious, the diverse and perverse.
- The Series will be factual, entertaining, visually stunning, amusing yet serious. Graphics and commentary will enhance stunning documentary footage.
