THE TOUR

We travel from West Coast to East Coast before a matchup between Kenny's team and the ballers of NYC.

EPISODE OVERVIEW

Each episode contains several core elements.

The Community: Kenny and his squad will explore the community to find out what makes it tick and where streetball fits into the local culture. We will get to know each community and how important basketball is to it, while meeting several individuals who've influenced streetball in the city.

The Players: We also take the time to get to know another member of the Stay Ballin crew, pulling back the curtain and letting the fans get a closer look at their streetball heroes. We will find out what drives them, what feeds their soul and what is important to them on and off the court.

The Game: Each episode will consist of Kenny and the Stay Ballin team playing against the best the community can throw at them. Everything from the dunks, the dimes and of course the trash talking is delivered in high pace, and often high tension, match ups.

FINALE - NYC

After Kenny has taken his Stay Ballin crew across the USA to take on the best ballers from each city, they head to NYC to take on the best that the country has to offer.

Over the course of the series, we've seen the Stay Ballin team be tried, tested and altered as new players arrive to bolster the talent available. It hasn't all been plain sailing, but a win in New York will mean a lot to the Stay Ballin crew, who's travels on the road together has really forged a strong sense of togetherness.

There have been highs, lows and everything in between on the road, but Kenny and the Stay Ballin squad aim to finish it all on top by coming away from NYC with the W.

As they reflect on the tour, it's been a whirlwind of action, powerful stories and most importantly, the best talent the world of streetball has to offer.

A low-angle, upward-looking photograph of a basketball hoop and its backboard. The backboard is a dark, rectangular panel with a grid pattern, and the hoop is a circular metal ring. The net is visible, hanging down. The background is a clear sky with a gradient from light blue at the top to a soft pink and orange near the horizon, suggesting a sunset or sunrise. The words "THANK YOU" are written in a large, bold, white, sans-serif font across the center of the image, partially overlapping the hoop and the sky.

THANK YOU
