

OUR
AUTO EXPERT

13 X 30'

SYNOPSIS:

Season One of Our Auto Expert consists of 13 half-hour episodes that follow Nik and Mike around the globe; whether it's on an F1 track in Bahrain, test driving a new Lamborghini, or at an off-road facility playing with the all-new Ford Bronco. Each episode has 5 segments, where both Nik and Mike give the viewer an inside look and solid understanding of the newest models or technological advancements within the automotive industry.

STILLS:

NIK MILES:

With over 30 years of experience as a radio and TV personality, and 15 years as an automotive journalist, Nik Miles has a witty, informative, and personable automotive perspective. Through his automotive journalism, Nik has developed trusted relationships with many key stakeholders within the auto industry. Nik knows the ins and outs of the automotive industry. Whether at a Press Ride & Drive, or having vehicles delivered to his front door, Nik gets to test drive hundreds of new model releases and gets a first look at the latest automotive tech.

MIKE CAUDILL:

Mike Caudill has spent nearly 25 years in the greater auto industry. He has worked both for automakers and as a journalist. He is currently a Nationally recognized TV personality that provides expert commentary on a variety of topics facing the greater transportation industry. Seen on morning news stations around the country, Mike has respect and trust within the auto industry. Mike travels the country test driving cars, covering exclusive press events, and delivers the latest models and technologies to the masses.
